Acting Deputy Director for Legislation
Office of Congressional Affairs

SUBJECT: Intelligence Authorization Bill

1. Attached for your information is a copy of H.R. 2748, the "Intelligence Authorization Act for 1990." The Bill, and the accompanying attached report, were approved by the Committee on 3 August 1989.

2. You will note that on page 13 of the report, the Committee states that "it is dismayed that bureaucratic infighting has been allowed to frustrate the progress toward security objectives which are clearly in the national interest." The Committee adopted the approach taken in the Senate Intelligence Committee to fund SEO out of the budget of the Intelligence Community Staff. The Committee did not put as much blame on the State Department as did the Senate Intelligence Committee.
